Hibiscus Luncheon for Miss Frances Lawrence.

The Outdoor Circle has planned a "hibiscus luncheon" to be held at the Country Club on Saturday, complimenting Miss Frances Lawrence, who a little more than three years ago named the club. For twenty years Miss Lawrence has worked faithfully with the children and now she is taking a year's vacation from her duties. This is the first luncheon of the kind to be given by the circle, but in the next term of work there will be given three or four a year, affording the members a chance to become acquainted and talk things over in an informal way. Out of the 200 members there have already been 150 acceptances. The luncheon will be given on the plan of the Ad Club and there has been an attractive program arranged—but that is a secret. The table decorations will be of hibiscus and every one present will be asked to wear the flower of Hawaii. In the receiving line will be members of the board of directors, who are: President, Mrs. Frederick J. Lowrey; vice-president, Mrs. L. A. Thurston; secretary, Mrs. W. L. Moore, and Miss Kulumann Ward, Mrs. A. E. Murphy, Mrs. R. O. Matheson, Mrs. C. W. Ashford and Mrs. A. N. Campbell. This will be one of the largest and most attractive affairs of the season.

Felice Lyne's Concert.

Many music lovers of Honolulu gathered at the Hawaiian Opera house on Saturday night to hear the far-famed coloratura soprano, Felice Lyne, in concert. Miss Lyne, who has already been extensively entertained during her visit here, had many friends among her listeners and made many more, charming them with her voice. Many new and elaborate gowns were seen at the affair. Some among those in the boxes and the main body of the house were Queen Liliuokalani, Col. and Mrs. C. P. Laukea, Mr. and Mrs. J. A. Dominis, Mr. and Mrs. Gerrit P. Wilder, Mr. and Mrs. Walter F. Dillingham, Mr. and Mrs. F. J. Lowrey, Mr. and Mrs. F. D. Lowrey, Mr. and Mrs. R. A. Cooke, Mr. and Mrs. W. H. Babbitt, Mr. and Mrs. E. Faxon Bishop, Mr. and Mrs. A. L. Castle, Mr. and Mrs. Harry Macfarlane, Mr. and Mrs. Robert W. Shingle, Mr. and Mrs. L. Tenney Peck, Mr. and Mrs. Royal D. Mead, Mr. and Mrs. W. R. Farrington, Mr. and Mrs. Charles R. Frazier.

New Outdoor Circle Committee Formed.

A new Outdoor Circle branch has been formed, known as the Kapiolani Park committee, to meet with and consult Superintendent John Wise on the new Hawaiian village planned to be erected on Makee Island, Kapiolani park. The willing workers also are trying to devise a plan whereby more water may be given to the park and will try to have an arbor well-bored. The committee of ladies consists of Mrs. A. P. Taylor, who is chairman; Mrs. John C. Lane, Mrs. Henry Waterhouse, Mrs. George P. Castle, Mrs. J. P. Erdman, Mrs. Helen G. Noonan, Mrs. Charles Chillingworth, Mrs. Mary C. B. Beckley, Mrs. Robert W. Shingle, Mrs. Alonzo Cartley and Mrs. C. W. Case Deering. There will be but one more meeting held this year, that being on April 30 at Mrs. Lowrey's gardens, the meeting being held one day earlier on account of the May day fete. During the summer Mrs. Lowrey urges every woman who goes away on a vacation to bring back with her pictures of attractive gardens. More work is going to be done, or rather, the work is going to be continued in landscape gardening. "Make Honolulu More Beautiful" is the cry of the earnest workers, who are not only trying to make the city more beautiful but trying to bring out the beauty it already has. The cutting down and doing away with dead palms has already been started and it is believed that in October, when the work begins anew, there will be very little of that sort of work to be done.

Wedding of Mrs. Kathleen Davis and Mr. Edmund Steel.

The wedding of Mrs. Kathleen Davis and Mr. Edmund Steel took place quietly at the home of Rev. H. H. Parker, pastor of Kawaiahao church, on Friday evening. The bride was charmingly gowned in soft black and white silk and carried a prayer book. Mrs. Steel is the daughter of Mr. and Mrs. D. S. Denny of Oakland, Cal. She is an accomplished pianist and violinist and possesses a rich contralto voice. "Ned" Steele, since his arrival in Honolulu from his home in Philadelphia some two years ago, has been one of the most popular young men in social circles and has taken a number of prominent parts in local theatricals. The couple will be at home at Hustace Villa after six weeks.

Judge and Mrs. William B. Lymer's Dinner.

Judge and Mrs. William B. Lymer entertained at dinner in honor of Miss Felice Lyne and her party on Sunday evening. A large basket of yellow chrysanthemums tied with graceful bows of tulle ornamented the table and dainty place cards bearing the notes and words of the chorus of "Aloha Oe," to which was fastened a tiny ilima lei, marked the covers, which were laid for Miss Felice Lyne, Mrs. Lyne, Mrs. F. E. Moore,

Miss Margaret Center, who will take the role of Lady Wilhelmina in "The Amazons," to be presented at the Hawaiian Opera house on the evening of April 28.

Mrs. T. E. Purdom, Capt. Rufus E. Longan, Lieutenant Walter M. Robertson, Lieut. Charles Lyman, Mr. C. P. Franklin and Judge and Mrs. Lymer. After dinner the party motored to the Moana Hotel, where they spent a delightful hour.

Miss Lyne Sings Hawaiian Songs for Queen.

Miss Felice Lyne sang this morning for Her Majesty Queen Liliuokalani at Washington Place. Miss Lyne was accompanied by her mother, Mrs. F. Lyne; her aunt, Mrs. F. E. Moore; her grandmother, Mrs. T. E. Purdom, and Mrs. William B. Lymer. The famous songstress sang to the queen melodies of Hawaii, some of which were composed by Her Majesty many years ago. Delighted at hearing the plaintive music of her country in Miss Lyne's glorious voice, Queen Liliuokalani invited Miss Lyne to sing again for her.

Hui Au Kai Concert.

The Hui Au Kai benefit concert for

the dependents of the men who went down in the submarine F-4, given in the armory on Monday evening, was well attended and very satisfactory. A large and representative audience gathered to aid Dame Charity. Among those who assisted were Miss Clemence Gifford, Miss Mildred Bromwell, Miss Mildred Chapin, Miss Ruth Farrington, Miss Catherine Johnson, Miss Margaret Hawk, Miss Margaret Young, Miss Sybil Carter, Miss Rachel Woods, Miss Ima Woods, Miss Helen Center, John Gifford, Edson Hutchinson, Shirley Bush, Albert Bush, Frank Winter, Lorin Thurston, Jr., Sam Carter, Frederick Carter, Arthur Brown, Robert Hendry, Jere Smith and others.

The Greek story of Narcissus will be portrayed in an outdoor performance by the College Club on Wednesday, April 21, at 4 o'clock in the extensive gardens of Mr. and Mrs. Samuel A. Baldwin. The story will be expressively portrayed in the dance, thus recognizing the present rennais-

sance of dancing, and fittingly set by the little brook in these wonderful grounds. Under the able direction of Mrs. David Oleson, Mrs. A. L. Castle, and Miss Nora Swanzy, the event promises to be a most charming spectacle. In case of rain the affair will be postponed to Saturday, April 24, at the same hour.

One of the pleasant dinner parties of last week was that of Lieut. and Mrs. Frank A. Sloan at Schofield Barracks. Covers were laid for Lieut. and Mrs. John D. Reardon, Miss Hal-leren and Capt. Samuel S. Oresighten. The party later attended the post hop.

Mr. and Mrs. Frederick J. Lowrey are leaving Honolulu on May 5 for San Francisco. They will remain there for some time and then go on to San Diego. Mrs. Lowrey, as president of the Outdoor circle, will investigate conditions on the mainland and perhaps bring back new suggestions.

Mr. George A. Butz of the Pleasanton hotel left yesterday on the Lur-line for a trip to the mainland. Business and pleasure combined will keep Mr. Butz away for about six weeks.

Mr. George Casper, violinist, will give a concert in the latter part of May. Mr. Casper's pupils will assist and altogether the program will be worth hearing.

Mrs. Royal D. Mead invited the members of the Morning Music Club, of which she is president, to a reception for Miss Felice Lyne yesterday.

Mr. and Mrs. Louis Edward Davis of Manoa valley are being congratulated upon the arrival of a baby girl on April 2.

Mr. and Mrs. Gerrit P. Wilder entertained at tea on Monday in honor of Miss Felice Lyne, the singer.

MOTHER! THE CHILD IS COSTIVE, BILIOUS

Don't hesitate! A laxative is necessary if tongue is coated, breath bad or stomach sour. Give "California Syrup of Figs" at once—a teaspoonful today often saves a sick child tomorrow.

If your little one is out-of-sorts, half-sick, isn't resting, eating and acting naturally—look, Mother! see if tongue is coated. This is a sure sign that its little stomach, liver and bowels are clogged with waste. When crows, irritable, feverish, stomach sour, breath bad or has stomach-ache, diarrhoea, a sore throat, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated poison, undigested food and sour bile gently moves out of its little bowels, without griping, and you have a well-playful child again. Mothers can rest easy after giving this harmless "fruit laxative," because it never fails to cleanse the little one's liver and bowels, and sweeten the stomach, and they dearly love its pleasant taste. Full directions for babies, children of all ages and for grown-ups printed on each bottle. Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," and then see that it is made by the "California Fig Syrup Company." Don't be fooled!—advertisement.
